

Smithfield Food Pantry

Walk-in Food Pantry

The Smithfield Food Pantry is available to Smithfield Residents that fall within certain income guidelines. The Government provides the pantry with monthly distributions of food, but the pantry is mostly filled with the generous donations of food and needed household and clothing items from local individuals and organizations. Smithfield Residents are welcome to apply for assistance Monday-Friday at the Town Office located at 926 Village Road. Please call for a time, 362-4772.

Monthly Delivery Food Pantry

Thankfully we have been able to continue the delivering of food & necessities to Smithfield residents in 2023. We deliver once a month to 20-22 households.

Thank you to all that donate monthly to help with our pantry of food items and money!

A special thank you to our **VOLUNTEER** delivery drivers and program helpers **Nicole Vera, Mikja Leavitt, Dawn Leavitt, Bonnie Jones, Meredyth Tuttle, Jodie Mosher, Robin Chamberlain, Bob & Becky Michaud.** **The delivery program would not be able to continue without these Volunteers!**

Holiday Baskets

During the holidays we provide to residents of Smithfield through donations to the Holiday Fund, Thanksgiving and Christmas Baskets. We delivered **25** baskets for each holiday!

Thanks to Sappi Fine Paper Somerset Operation and the Village Market Fairfield Maine for donating \$500.00 for our holiday baskets.

Smithfield Food Pantry

Giving Tree

Our annual Giving Tree was a success as always helping families and providing the children with clothing, jackets, ski pants, hats, mitten/gloves, boots, shoes, and other needed items, as well as at least two, as we call them, fun items for the kids. The program had **22** children for the Giving Tree. The residents, non-profit groups and businesses from Smithfield and the surrounding towns give generously for this. **All presents are wrapped before being given out thanks to our wrapping ANGELS.....Ceara Templin and her children.**

Respectfully Submitted

Nichole Clark
