

Town of Smithfield Library

Why buy a book when you can join a Library!

On behalf of the Smithfield library patrons, I would like to thank all those who donated books in 2023. A total of 346 items were given.

The collection now consists of 5,390 books, audiobooks, and videos. The focus in the coming years continues to be on building the Maine collection.

A big thank you to the following volunteers who helped to process new books, re-label items, and cover the circulation desk;

Sally Butler
Laurie Dobson
Diane Downing
